

THE LENOVO® THINKPAD® T440s TOUCH ULTRABOOK™
GO THE DISTANCE WITH TOUGH DESIGN

TOUCH AND GO

Full high definition display with 10-finger multitouch

DYNAMIC PERFORMER

Packing an Intel® Core™ i processor into a 3.5 lb package delivers top performance in a portable device

KEEPS GOING AS LONG AS YOU CAN

Use the Power Bridge to swap the 3-cell 23.5 Whr battery with another charged battery or the extended 6-cell 72 Whr battery, without having to shut down

CARBON FIBER TOP COVER

Carbon fiber strengthens and protects the system without weighing

The Lenovo® ThinkPad® T440s has been designed to simplify and modernize your computing experience. The carbon fiber top cover makes the Ultrabook™ light, but durable. A wider range of connection options—mini-DisplayPort, VGA, USB and SD card reader—make viewing, sharing and transferring data easier. Rounding out the experience are the latest Intel® Core™ i processors and touch capability with Windows 8.

THE LENOVO® THINKPAD® T440s TOUCH ULTRABOOK™

GEARED FOR PERFORMANCE

- Faster processing with the latest Intel® Core™ i7 processors
- Experience a new level of touch-based¹ computing with Windows 8
- 1.34x better performance at lower power level with integrated Intel® HD Graphics 4400
- Meets the Mil-SPEC 8 standard for ruggedness, durability and quality
- USB 3.0 for 10 times faster data transfer than USB 2.0

ENHANCED MEDIA AND COMMUNICATION EXPERIENCE

- Clearer, more lifelike audio with Dolby® Home Theater® v4
- Polycom® Ready provides rich voice clarity and video communication
- Automatic light adjustments make low light picture quality better
- Connect using mini-DisplayPort with audio, VGA, USB 3.0, SD Card Reader, WWAN capable, full-size RJ45, etc.

SERVICES OFFERINGS

Lenovo® offers a comprehensive portfolio of services to support and protect your ThinkPad® investment. Succeed with substance and let Lenovo®'s Service support you all the way.

Priority Technical Support³

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking and escalation management services.

Warranty Upgrades – Onsite and Next Business Day

Maximizes PC uptime and productivity by providing convenient, fast repair service at your place of business.

Warranty Extensions (1-to-5 Years Total Duration) This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and lower the cost of ownership overtime.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Keep Your Drive

Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure.

Asset Tagging

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.
