THINKPAD® W550s MOBILE WORKSTATION

MOBILITY. PERFORMANCE. RELIABILITY.

PERFORMANCE AND FUNCTIONALITY PACKED IN A THIN & LIGHT CHASSIS.

An ideal blend of performance and functionality; the Lenovo® ThinkPad® W550s Mobile Workstation blends the sleek form factor of an Ultrabook together with the processing power of a mobile workstation. An optional 3k IPS Touch display will bring your high resolution images to life with rich plush colors and wide viewing angles. Full mechanical docking lets you hook up multiple external monitors and a bevy of peripherals to help you keep a clean and highly functional workspace.

WHY BUY
THE THINKPAD®
W550s?

1 MOBILE PERFORMANCE

Thin, light and powerful enough to receive ISV certifications with Intel's 5th generation Core processor and NVIDIA's latest graphics.

2 THOUGHTFUL FUNCTIONALITY

Power Bridge technology lets users hot-swap the rear battery and mechanical docking so you can have the workspace you need with minimal clutter.

3 STUNNING VISUALS

Ultra high resolution with vivid colors and stellar viewing angles our 3k IPS display is sure to impress even the most discerning users.

4 LEGENDARY RELIABILITY

Engineered to endure the rigors of day-to-day use in the field; we put our machines through the rigid MIL-SPEC testing criteria so our users know they are getting a reliable product that can last for years.

WHO
NEEDS
THE THINKPAD®
W550s?

1 Engineers and designers who need to be in the field but have to bring their work with them.

2 Users looking for ISV-certified mobile workstation which ensures superior application performance.

3 Companies who rely on getting compute-intensive work done but can't be tied to a desk.

Lenovo® recommends Windows.

LENOVO SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your ThinkStation investment. Focus on your customers and business, not your IT.

PRIORITY TECHNICAL SUPPORT²
Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking, and rapid response and resolution.

WARRANTY UPGRADES - ONSITE AND NEXT BUSINESS DAY
Maximizes PC uptime and productivity by providing convenient, fast repair service the next business day.

WARRANTY EXTENSIONS (1-TO-4 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

KEEP YOUR DRIVE
Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure. KYD applies to all drives within multi hard disk/SSD systems.
