

Lenovo ThinkPad YOGA 12, 14 & 15

POSITIONING STATEMENT

The Lenovo ThinkPad YOGA 12, 14 and 15 provide the best of both worlds, offering a powerful mobile office solution and multimode entertainment experience in one – perfect for businesses, prosumers, students and more. The convertible Ultrabook features four modes – *Laptop*, *Stand*, *Tent* and *Tablet* – allowing users to move seamlessly from creating and using content to sharing it. The new Sync Hinge on YOGA 14 and 15 lets the PC lay flat, while optional ActivePen technology on select models allows for note taking, writing emails or designing a presentation.

KEY FEATURES

- The power of a ThinkPad paired with a thin, light design and the flexibility of a convertible – ideal for both work and play
- Optional ActivePen on select models for convenient, accurate and precise handwriting for taking notes, sending emails or creating presentations
- Up to 1 TB of storage for videos, photos, games and office files
- Lift ‘n Lock keyboard offers a firm, comfortable typing experience in *Laptop* mode and the assurance that keys are protected in *Tablet* mode
- OneLink compatibility connects to HDMI, Ethernet, or one of two USB 3.0 ports with a single cord
- IPS display, Dolby® Home Theater® and up to next generation NVIDIA® GeForce® (YOGA 14 & 15 only) graphics create the ultimate entertainment experience
- The ThinkPad YOGA 15’s optional Intel RealSense™ 3D camera features advanced educational 3D motion gestures and 3D scanning.
