

THE LENOVO® THINKPAD® X140e NOTEBOOK
CUSTOM-MADE DESIGN FOR MOBILITY
AND TO EMPOWER EDUCATION

RUGGED FOR EDUCATION

Stronger hinges and bezel with rubber bumper around top cover to protect your laptop

THINKPAD® PRECISION KEYBOARD

Industry's leading keyboard for responsiveness and superior typing experience

MIL-SPEC TESTED

8 US MIL-SPEC tests to validate ruggedness and durability

DUSTLESS FAN

Filters dust from entering the fan assembly to extend the life of the fan

The Lenovo ThinkPad® X140e is designed for those who need reliable and rugged notebooks at an affordable price. ThinkPad® X140e has faster processing power with AMD Processors and AMD Radeon™ graphics. It gives you all-day non-stop connectivity with 8.5 hours of battery life and has other features like Dolby® Advanced Audio™, HD Display, dual array microphones to ensure unhindered performance. With maximum security, lower TCO and greater compliance, the X140e is the right choice for educational institutions.

THINKPAD® X140e

THE LENOVO® THINKPAD® X140e NOTEBOOK

PERFORMANCE

- Powered by the AMD Dual Core™ Processors offering higher performance at lower power
- Windows 8 for better performance
- Outstanding VoIP and Multimedia to make learning a pleasure
 - » Dolby® Advanced Audio™ v2 for great audio quality
 - » Dual array microphones with background noise cancellation and keystroke noise suppression
 - » Integrated low light sensitive 2 MP camera with face tracking for a greater video conferencing experience

GREAT VALUE

- Performance at an affordable budget
- The cost-saving Lenovo Service offerings to optimize the hardware lifecycle
- Lenovo Online Data Backup (OLDB) to backup your data with maximum security, lower TCO and greater compliance

DURABILITY

- 33% stronger corners to reduce damage when dropped accidentally
- Stronger Hinges, designed to last 50,000 cycles of opening and closing
- 55% Stronger Ethernet Port
- 60% Reduced Gap on keyboard – prevent objects wedged under keyboard keys
- Active Protection System™ (APS) – detects the difference between normal day-to-day movement and protects from damaging bumps or drops

SERVICE OFFERINGS

Lenovo® offers a comprehensive portfolio of award-winning services to support and protect your ThinkPad® investment. Lenovo® Services lets you focus on your customers and business, not your IT.

Priority Technical Support#

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking, rapid response and resolution.

Warranty Upgrades – Onsite and Next Business Day

Maximizes PC uptime and productivity by providing convenient, fast repair services at your home or office.

Warranty Extensions (1-to-5 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Keep Your Drive

Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure.

Asset Tagging

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.
